Overview:

The Daybreak Group of Companies began in 1978 with the opening of a large Intermediate Care Facility (ICF/MR) for individuals with developmental disabilities in Dallas County. In the late 80's and 90's, seven more ICF/MR homes were opened. Daybreak Community Services, Inc. was founded in 1997 to provide Home and Community-based (HCS Medicaid-funded waiver) services. Since that time, Daybreak has experienced rapid growth, currently serving over 500 people in Texas. Our services are managed by directors with extensive backgrounds in Developmental Disabilities, with the management team averaging over twenty years experience. Daybreak maintains a long-term commitment to provide innovative supports to people with disabilities. Services are tailored through Person-Directed planning to enhance the strengths of each individual, enabling each to live and work successfully in the community they choose. Daybreak's solid foundation supports an environment in which each person may make and achieve dreams, while experiencing community life at its fullest.
