Overview:

PeopleCare is a locally owned and operated private provider of ICF/MR, HCS, and TxHmL services to over 100 Texans with developmental disabilities. We provide the full range of services in each program we operate. Although a relatively young company, PeopleCare's management team has over 85 years of experience serving people with developmental disabilities in Texas programs. Our Company was founded, and continues to operate on the principals of quality service provision in a caring and enabling environment. Please visit our website, or contact us directly for more information about our services and our mission.
