ALL MEMBERS/APPLICANTS MUST RESPOND: 2010 FCC FAX & EMAIL ADDRESS AUTHORIZATION

The Federal Communications Commission issued a ruling that prohibits all organizations, including associations and nonprofits, from sending advertising or marketing faxes and emails to anyone who has not given previous consent. PPAT uses members' email addresses and fax numbers to send information to its members.

Option One: I understand that by providing the fax number below and any e-mail address associated with my company, on behalf of the association specified below, I am authorized to and hereby consent for my company to receive any fax and email communication sent by or on behalf of the Private Providers Association of Texas (PPAT).

Company: _____

Name & Title: _____

Signature: _____ Date: _____ (M/D/YY)

Email Address: _____

Fax Number: _____

Option Two: I do not authorize Private Providers Association of Texas (PPAT) to send promotional email and fax communications to our company. I understand by selecting this option my company will still receive non-promotional email (i.e. Membership updates, alerts, etc.)

Company: _____

Name & Title: _____

Signature: _____ Date: _____ (M/D/YY)

Email Address: _____
